## Description

Inca Jungle Basic is the perfect tour for adventure lovers wishing to explore the stunning high jungle region of Peru. This area, located in the heart of the Andes, combines mountainous landscapes, lush tropical vegetation and crystal clear rivers, making it an ideal destination for travellers in search of unique experiences in nature.

The 3-day Inca Jungle Basic tour invites you to live an adventure full of excitement and nature. During the tour, you will be able to enjoy activities such as downhill **biking** from the Malaga Pass, a thrilling ride that offers spectacular views of the Andes. You will also have the option of **rafting** on the Urubamba River, near Santa Maria, or jumping on the **zipline** in Santa Teresa, an activity that will allow you to admire the landscape from the heights.

Inca Jungle Basic is distinguished by its focus on safety and quality. All the equipment used in the activities is of the highest standard, and you will have professional guides who will accompany you every step of the way, ensuring that you have a safe and fun experience. Live an unforgettable experience in the middle of Peruvian nature with Inca Jungle Basic, a tour designed for those seeking adrenaline, natural beauty and a unique connection with Peruvian nature.
